- made from recycled PET bottles
- reinforced with acoustic filling
- easily mounted on all standard-sized tabletops
- suitable for contract use
- delivered preassembled

Colours

Panel

AK 1 is a functional workplace divider for shared desks. The divider has a friendly rounded shape and soft texture thanks to the PET Felt shell. Reinforced with honeycomb filling, it provides a gentle sound-dampening effect. AK 1 is available in 11 PET Felt blends. Easily mounted on any standard tabletop, the divider offers a flexible partitioning solution for offices, co-working spaces and schools.

4.5 kg

Care & Maintenance

For regular care, we recommend dusting or vacuuming PET Felt occasionally. Most stains can be easily cleaned with water. It is advised to dab the contaminated surface with a dry cloth while it is wet. Do not rub PET Felt to avoid excessive pilling and let the material dry naturally. If water is not sufficient, stubborn stains can be removed with professional cleaning products like the James cleaning set.
