- Can be used as a pinboard

Material	PET Felt
Size	1500 x 600 x 526 mm
Weight	2.2 kg
Reaction to fire classification	B-s1, d0

## PET FELT WORKPLACE DIVIDER

The workplace divider grants privacy and focus whenever you need it. An easily foldable and lightweight design allows setting it up in no time to create a personal workstation in the office as well as at home. Made from PET Felt, the divider grants a gentle sound dampening effect, while its soft shield can be used as a pinboard.

## PET FELT

PET Felt is a sustainable and durable material made from recycled plastic bottles. Thanks to its open-cellular structure, PET Felt demonstrates great acoustic properties. PET Felt panels are soft to touch, impact-resistant and easy to process.

## COLOURS

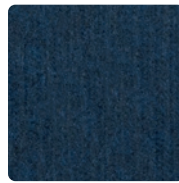

Since PET Felt is a recycled material, slight colour deviations may occur between different batches. It is recommended to order the required quantity at once to make sure the panels come from the same batch.
